About EPIX

EPIX is a premium movie and original programming entertainment service delivering the latest movie releases, classic film franchises, original documentaries, comedy and music events on TV, on demand, online and on devices. Launched in October 2009, EPIX has pioneered the development and proliferation of "TV Everywhere." It was the first premium network to provide multi-platform access to its content online at EPIX.com and was the first premium network to launch on Xbox, PlayStation®, Android tablets and phones, Windows 8.1 and Roku® players. EPIX is available to authenticated subscribers on hundreds of devices including Apple® iPads® and iPhones® and is the only premium service providing all its programming on all platforms, delivering more movies than any other premium network, with thousands of titles available for streaming.

EPIX is a joint venture between Viacom Inc., its Paramount Pictures unit, Lionsgate (NYSE: LGF) and Metro-Goldwyn-Mayer Studios Inc. (MGM). Through relationships with cable, satellite and telco partners, EPIX is available to over 50 million homes nationwide. For more information about EPIX, go to www.EPIX.com.
