Every president since Franklin D. Roosevelt has been honored with a meticulously curated memorial library commemorating the documents of historical value crafted during his time as leader of the free world. Continuing this hallowed tradition, and seeing no need to wait for him to leave office, *The Daily Show* will once again honor the current president with *The Daily Show with Trevor Noah* Presents: The Donald J. Trump Presidential Twitter Library, showcasing the Commander-in-Chief's preferred vessel for communicating with the public, his Twitter feed.

The library will feature audio/visual installations and a fully interactive experience for hands of all sizes, giving patrons a once-in-a-lifetime opportunity to memorialize and celebrate the many "unpresidential" moments of President Trump's Twitter history.

Select exhibitions housed in the Presidential Twitter Library include:

- **THE COMMANDER-IN-TWEET:** In the Library's marquee attraction, attendees will step into a replica of the Oval Office, be presented with a crisis situation, and have 30 seconds to compose a tweet while sitting on a golden toilet, just like the president!
- **SAD! A RETROSPECTIVE:** A video retrospective will solemnly display a collection of people, places and things that the President has deemed "SAD!"
- **TRUMP VS. TRUMP:** Here we document President Trump's unique ability to hold a variety of different opinions on the same subject.
- **VERIFIED SURVIVORS:** Listen to a series of testimonials from high-profile victims as they recount the trauma of being attacked by Trump on Twitter.
- **DONALD J. TRUMP: A MAN OF CHARACTERS:** In a short docufilm narrated by *Daily Show* correspondent Desi Lydic, the library takes a look at Trump's Twitter history and the social media platform he made great again.
- **MASTERWORKS:** Sit back and admire some of Trump's finest works as a master tweeter.
- **A DONALD J. TRUMP TWITTER TIMELINE:** Study the broad arc of Trump's history in one comprehensive timeline, from his very first tweet about his appearance on Letterman, to his proclamations that Obama was born in Kenya, to his important, early morning screeds as the leader of the free world.
- **11 MINUTES:** This brand new video exhibit features first-hand accounts of what the world looked like for the 11 minutes that Donald J. Trump mysteriously vanished from Twitter, shaking a nation to its core.
