Multiplatinum, record-breaking superstar **Ariana Grande** has delivered three platinum-selling albums and surpassed 18 billion streams, in addition to nabbing four Grammy Award nominations and landing eight hits in the Top 10 on the Billboard Hot 100 chart. With the release of “No Tears Left To Cry” she became the first artist in music history to see the lead single from her first four albums debut on the Top 10 on Billboard Hot 100. This year she has graced the prestigious magazine covers of TIME, British Vogue, ELLE, and Fader. Grande’s highly anticipated fourth studio album, *Sweetener*, will be released later this month.

Toronto born multi-platinum singer/songwriter **Shawn Mendes** released his highly anticipated self-titled third album in May 2018. The album debuted at #1 on the Billboard 200 album chart as well as multiple additional worldwide markets, including Australia, Canada, Mexico, Belgium, Holland & more. Shawn Mendes made Shawn the third youngest solo artist to ever have three #1 albums and became one of the Top best-selling album debuts of 2018. Both “In My Blood” and “Lost In Japan,” the first two songs released off the new album, experienced massive success, soaring to the #1 and #2 spots on the overall iTunes chart in the U.S., Top 5 on iTunes in 50 countries, and held the #1 and #2 spots on Spotify’s “New Music Friday” playlist. With “In My Blood,” Shawn became the first artist to ever have had four #1 singles at AC radio before the age of 20. In April 2017, Shawn released his 3x Platinum hit “There’s Nothing Holdin’ Me Back.” The track scored Shawn his second #1 single at Top 40 radio and on Billboard’s Pop Songs chart, joining 7x Platinum single “Stitches.” Throughout his career, Shawn has achieved 3 consecutive #1 album debuts, 2 Platinum albums, and 7 consecutive Platinum and multi-Platinum singles. Worldwide, he has sold over 11 million albums, 100 million singles, and has amassed over 15 billion song streams and 4 billion YouTube views. Shawn has completed two sold-out world tours with over one million tickets sold, selling out legendary arenas including NYC’s Madison Square Garden, Toronto’s Air Canada Centre, and London’s O2 Arena in minutes. Shawn Mendes: The Tour begins in March 2019, with over 60 dates currently announced across Europe, North American and Asia, with more to be announced soon. He topped Billboard’s “21 Under 21” in 2017 and has been featured on Forbes “30 Under 30,” Spotify’s “25 Under 25,” and Time Magazine’s “Time 100 Most Influential.”

Maryland-bred musician **Logic** burst onto the music scene through a series of mixtapes that led to a significant, rabid underground fan base. These mixtapes garnered millions of downloads and streams that jumpstarted a worldwide tour before signing a record deal with Def Jam Recordings in 2014. Logic’s last two releases - EVERYBODY and Bobby Tarantino 2 - have debuted consecutively at #1 on the US album charts. Logic has sold over 5 million albums worldwide and has been streamed over 2 billion times. At the 2017 “VMAs,” Logic performed his powerful single “1-800-273-8255,” which resulted in a 50% surge in calls to the National Suicide Prevention Lifeline.
