WHAT: *The Daily Show with Trevor Noah Presents: The Donald J. Trump Presidential Twitter Library*

The enormously successful and Award-winning *The Daily Show with Trevor Noah Presents: The Donald J. Trump Presidential Twitter Library* is coming to Washington, D.C. in celebration of President Trump's 73rd birthday.

This marks the seventh time *The Daily Show with Trevor Noah Presents: The Donald J. Trump Presidential Twitter Library* will be on display with previous stops in Austin, Miami, Los Angeles, San Francisco, Chicago and its phenomenal debut in New York City.

Every president since Franklin D. Roosevelt has been honored with a meticulously curated memorial library commemorating the documents of historical value crafted during his time as leader of the free world. Continuing this hallowed tradition, and seeing no need to wait for him to leave office, *The Daily Show* will once again honor our current president with this library, showcasing our Commander in Chief's preferred vessel for communicating with the public, his Twitter feed.

The library in DC will feature visual installations and a fully interactive, hands-on experience for hands of all sizes, giving patrons the once-in-a-lifetime opportunity to memorialize and celebrate the many "unpresided" moments of President Trump's Twitter history. More info [here](#).
