BURBANK, Calif.--(BUSINESS WIRE)--Jul. 16, 2019-- Kid Danger (Jace Norman) and Captain Man (Cooper Barnes) will face their biggest challenge ever in Nickelodeon's hour-long episode, *Henry Danger The Musical*, airing Saturday, July 27, at 8:00 pm (ET/PT). The special, which features 26 original Broadway-style songs, marks the return of the villainous Frankini (Frankie Grande) who puts a musical curse over the town of Swellview, while Kid Danger and Captain Man are forced to find a way to stop him.

In the special, Henry Hart awakens one morning to alarming news—that persistent pest Frankini has placed a musical curse over Swellview. The entire town quickly tires of being forced to sing a variety of musical numbers and to even dance like they are in a chorus line. When Captain Man and Kid Danger discover that they cannot punch and kick their way out of this problem, they are forced to bring in an unlikely ally to help them fight Frankini on his own turf--by taking him on in an epic, live-streamed sing battle to end the curse once and for all.
