### **Cautionary Notes on Forward-Looking Statements**

This communication contains "forward-looking statements" within the meaning of the federal securities laws, including Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. In this context, forward-looking statements often address expected future business and financial performance and financial condition, and often contain words such as "expect," "anticipate," "intend," "plan," "believe," "seek," "see," "will," "would," "may," "target," similar expressions and variations or negatives of these words. Forward-looking statements by their nature address matters that are, to different degrees, uncertain, such as statements about the consummation of the pending merger and the anticipated benefits thereof. These and other forward-looking statements are not guarantees of future results and are subject to risks, uncertainties and assumptions that could cause actual results to differ materially from those expressed in any forward-looking statements, including the failure to consummate the pending merger or to make any filing or take other action required to consummate such transaction in a timely matter or at all. Important risk factors that may cause such a difference include, but are not limited to: (i) the pending merger may not be completed on

anticipated terms and timing, (ii) a condition to closing of the pending merger may not be satisfied, (iii) the anticipated tax treatment of the pending merger may not be obtained, (iv) the potential impact of unforeseen liabilities, future capital expenditures, revenues, costs, expenses, earnings, synergies, economic performance, indebtedness, financial condition and losses on the future prospects, business and management strategies for the management, expansion and growth of the combined business after the consummation of the pending merger, (v) litigation relating to the pending merger against CBS, Viacom or their respective directors, (vi) potential adverse reactions or changes to business relationships resulting from the announcement or completion of the pending merger, (vii) any negative effects of the announcement, pendency or consummation of the pending merger on the market price of CBS' or Viacom's common stock and on CBS' or Viacom's operating results, (viii) risks associated with third party contracts containing consent and/or other provisions that may be triggered by the pending merger, (ix) the risks and costs associated with the integration of, and the ability of CBS and Viacom to integrate, the businesses successfully and to achieve anticipated synergies, (x) the risk that disruptions from the pending merger will harm CBS' or Viacom's business, including current plans and operations, (xi) the ability of CBS or Viacom to retain and hire key personnel and uncertainties arising from leadership changes, (xii) legislative, regulatory and economic developments, (xiii) the other risks described in CBS' and Viacom's most recent annual reports on Form 10-K and quarterly reports on Form 10-Q, and (xiv) management's response to any of the aforementioned factors.

These risks, as well as other risks associated with the pending merger, are more fully discussed in the joint consent solicitation statement / prospectus included in the Registration Statement. While the list of factors presented here and the list of factors presented in the Registration Statement are considered representative, no such list should be considered to be a complete statement of all potential risks and uncertainties. Unlisted factors may present significant additional obstacles to the realization of forward-looking statements. Consequences of material differences in results as compared with those anticipated in the forward-looking statements could include, among other things, business disruption, operational problems, financial loss, legal liability to third parties and similar risks, any of which could have a material adverse effect on CBS' or Viacom's consolidated financial condition, results of operations, credit rating or liquidity. Neither CBS nor Viacom assumes any obligation to publicly provide revisions or updates to any forward-looking statements, whether as a result of new information, future developments or otherwise, should circumstances change, except as otherwise required by securities and other applicable laws.
