- (1) The applicable page on Bloomberg from which the dealer managers will quote the bid side prices of the applicable U.S. Treasury Security. In the above table, “UST” denotes a U.S. Treasury Security.
- (2) The Hypothetical Total Consideration (as noted in the above table) is inclusive of the Early Tender Premium (as defined below) but exclusive of Accrued Interest (as defined below) and is based on the reference yield of the Reference U.S. Treasury Security (as set forth above) as of 11:00 a.m., New York City time, on November 16, 2018, assuming an Early Settlement Date (as defined below) of December 5, 2018. The actual reference yields of the Reference U.S. Treasury Securities will be determined by the dealer managers based on certain quotes available at 11:00 a.m., New York City time, on the price determination date, which is expected to be December 4, 2018.

The Offers are being made pursuant to and are subject to the terms and conditions set forth in the Offer to Purchase and the related Letter of Transmittal (the "Letter of Transmittal"). The Offers are scheduled to expire at 11:59 p.m., New York City time, on December 17, 2018, unless extended or earlier terminated by Viacom (the "Expiration Date"). Tendered Securities may be withdrawn on or prior to, but not after, 5:00 p.m., New York City time, on December 3, 2018 (the "Withdrawal Deadline"), except in certain limited circumstances where additional withdrawal rights are required by law.

Holders of Securities validly tendered and not validly withdrawn on or prior to 5:00 p.m., New York City time, on December 3, 2018 (the "Early Tender Deadline") and accepted for purchase will receive the applicable Total Consideration, which includes an early tender premium of \$30.00 per \$1,000 principal amount of the Securities accepted for purchase (the "Early Tender Premium"). The consideration paid in the Offers for each series of Securities validly tendered and accepted for purchase will be determined in the manner described in the Offer to Purchase by reference to the applicable fixed spread over the yield to maturity based on the bid side price of the applicable Reference U.S. Treasury Security specified in the table above and in the Offer to Purchase (the "Total Consideration"). Holders of Securities who validly tender their Securities following the Early Tender Deadline and on or prior to the Expiration Date will only receive the applicable Tender Offer Consideration per \$1,000 principal amount of any such Securities validly tendered by such Holders that are accepted for purchase, which is equal to the applicable Total Consideration minus the Early Tender Premium. The Total Consideration and Tender Offer Consideration will be determined at 11:00 a.m., New York City time, on December 4, 2018, unless extended by Viacom.

In addition to the Tender Offer Consideration or the Total Consideration, as applicable, all Holders of Securities accepted for purchase will also receive accrued and unpaid interest rounded to the nearest cent, on such \$1,000 principal amount of Securities from the last applicable interest payment date up to, but not including, the applicable settlement date ("Accrued Interest").

The settlement date for Securities validly tendered and not validly withdrawn on or prior to the Early Tender Deadline and accepted for purchase is expected to be December 5, 2018 (the "Early Settlement Date"). The settlement date for Securities validly tendered following the Early Tender Deadline but on or prior to the Expiration Date and accepted for purchase is expected to be December 19, 2018, the second business day after the Expiration Date (the "Final Settlement Date"), assuming that less than either the Capped Tender Amount or the Waterfall Tender Amount or both is purchased on the Early Settlement Date.

If the Capped Tender Offer is not fully subscribed as of the Early Tender Deadline, subject to the Capped Tender Amount and proration, the Capped Tender Notes validly tendered and not validly withdrawn on or prior to the Early Tender Deadline will be accepted for purchase in priority to other Capped Tender Notes validly tendered following the Early Tender Deadline. Viacom reserves the absolute right to increase or decrease the Capped Tender Amount without extending the Early Tender Deadline or

the Withdrawal Deadline, subject to compliance with applicable law. There can be no assurance that Viacom will increase or decrease the Capped Tender Amount. Furthermore, following the Capped Tender Offer, Viacom may, but is under no obligation to, exercise its rights to redeem any amount of the remaining outstanding Capped Tender Notes at a make-whole redemption price determined in accordance with the indenture governing the Capped Tender Notes.

If the Capped Tender Offer is fully subscribed as of the Early Tender Deadline, Holders who validly tender the Capped Tender Notes following the Early Tender Deadline but on or prior to the Expiration Date will not have any of their Capped Tender Notes accepted for purchase.

Subject to the Waterfall Tender Amount and proration, all Waterfall Tender Notes validly tendered and not validly withdrawn on or prior to the Early Tender Deadline having a higher Acceptance Priority Level (with 1 being the highest) will be accepted before any validly tendered Waterfall Tender Notes having a lower Acceptance Priority Level (with 14 being the lowest), and all Waterfall Tender Notes validly tendered following the Early Tender Deadline having a higher Acceptance Priority Level will be accepted before any Waterfall Tender Notes validly tendered following the Early Tender Deadline having a lower Acceptance Priority Level.

If the Waterfall Tender Offers are not fully subscribed as of the Early Tender Deadline, subject to the Waterfall Tender Amount and proration, Waterfall Tender Notes validly tendered and not validly withdrawn on or prior to the Early Tender Deadline will be accepted for purchase in priority to other Waterfall Tender Notes validly tendered following the Early Tender Deadline even if such Waterfall Tender Notes validly tendered following the Early Tender Deadline have a higher Acceptance Priority Level than Waterfall Tender Notes validly tendered on or prior to the Early Tender Deadline. Viacom reserves the absolute right to increase or decrease the Waterfall Tender Amount without extending the Early Tender Deadline or the Withdrawal Deadline, subject to compliance with applicable law. There can be no assurance that Viacom will increase or decrease the Waterfall Tender Amount.

If the Waterfall Tender Offers are fully subscribed as of the Early Tender Deadline, Holders who validly tender Waterfall Tender Notes following the Early Tender Deadline but on or prior to the Expiration Date will not have any of their Waterfall Tender Notes accepted for purchase regardless of Acceptance Priority Level.

Securities of a series may be subject to proration (rounded to avoid the purchase of Securities in a principal amount other than in an integral multiple of \$1,000) if the aggregate purchase price of the Securities of such series validly tendered and not validly withdrawn would cause the Capped Tender Amount to be exceeded, in the case of the Capped Tender Offer, or the Waterfall Tender Amount to be exceeded, in the case of the Waterfall Tender Offers. Viacom's obligation to accept for purchase, and to pay for, the Securities validly tendered and not validly withdrawn in the Offers is subject to the satisfaction or waiver of the conditions as described in the Offer to Purchase. Viacom reserves the absolute right, subject to applicable law, to: (i) waive any and all conditions to the Offers; (ii) extend or terminate the Offers; (iii) increase or decrease

either or both of the Capped Tender Amount and the Waterfall Tender Amount without extending the Early Tender Deadline or the Withdrawal Deadline; or (iv) otherwise amend the Offers in any respect.
